

CHC33015 CERTIFICATE III IN INDIVIDUAL SUPPORT

Study With Axial Training To Get The Skills and Succeed

Always wanted to care for and help others? Make a real difference with the Certificate III in Individual Support online course. Just imagine being an invaluable part of someone's life, to help empower and encourage seniors or elderly individuals in your community.

The CHC33015 Certificate III in Individual Support offers you the valuable knowledge and skills required to be a member of the health and community care industry.

Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs. Workers have a range of factual, technical and procedural knowledge, as well as some theoretical knowledge of the concepts and practices required to provide person-centred support.

This course includes 120 hours of work placement at suitable locations which will be arranged by Axial Training.

Study Mode	Classroom & Online
Duration of Course	12 Months
Total Units	13 [7 Core & 6 Elective]

Requirements

You will need to have access to a Lap Top or Desk Top Computer with working speakers or headphones and a suitable, reliable internet connection.
