## **THE AXIAL TRAINING DIFFERENCE**

At Axial Training our aim is to provide an exceptional education experience, with quality outcomes and tailored training solutions that add genuine value to a student's secondary school experience.

We have developed an industry-leading blended vocational training model that has proven to be ideal for Queensland Schools delivery.

## **VETiS PROGRAM**

At Axial Training, we are incredibly passionate about nurturing our student's individual qualities, preparing them for meaningful and purposeful lives in industry and study, whilst affording them world-class opportunities to reach their ideal career aspirations.

Axial Training is proud to offer a range of **fully funded VETiS** programs to Queensland secondary school students. These courses are providing effective pathways to students for further study, employment or Apprenticeships & Traineeships.

**CERTIFICATE II IN AUTOMOTIVE VOCATIONAL PREPARATION**

**LEARN NEW SKILLS**

**PROGRAM OVERVIEW**

Students can commence a pathway towards their automotive career with AUR20720 Certificate II in Automotive Vocational Preparation - a qualification suitable for students who are interested in working in an automotive environment. Students will obtain the knowledge and skills which will enhance their prospects of employment in an automotive or related working environment.

No previous work experience is needed. This is a funded VETiS program being delivered by Axial Training at Regional Trade Training Centres and at suitably equipped schools.
